

## HOPE

**Hope is the pillar that holds up the world.**

**I cannot change yesterday. I can only make the most of today, and look forward with hope toward tomorrow.**

**There is hope from the sea, but none from the grave.**

**Look backward with pride, forward with hope.**

**He who has health has hope; and he who has hope has everything.**

**Hopes are but the dreams of those who wake.**

**Men and women are limited not by the place of their birth, not by the color of their skin, but by the size of their hope.**

**There is no medicine like hope, no incentive so great, and no tonic so powerful as expectation of something better tomorrow.**
